Staffing 2014

It is with great pleasure I announce the permanent appointment of Mrs Heather Laverick at our school. I am sure everyone will join with me in congratulating Heather.

The appointment of Heather has resulted in the vacancy of a temporary position at our school. As our enrolments have been increasing during this year, we will have the opportunity to appoint (on a temporary basis) a fourth teacher again. If our numbers do not reach the figure, we will still be able to do this temporary appointment (using DEC funding as well as our own). I am sure that with the excellent promotion of our school in the community we should be able to reach 78 enrolments in 2014.

The protocol for appointing this temporary position is through EOI (Expression Of Interest). A panel will be formed to go through this process (Convener, P & C representative and Teacher representative). This process should be finalised before the end of this year so that the school community will be informed. It is important that our whole school community is aware of our staffing and class structures before our holidays commence. We are entering our exciting Creative Curriculum in 2014 and are keen to continue to develop our ideas. More information soon!

Reminders:

- * **Full dress rehearsal tomorrow and next Thursday for the Christmas Concert**
- * *There will be no canteen (recess or lunch) this week.*
