Term 4 - Week 8

Friendship & Learning

Tuesday 24th November 2015

## Excursions

A huge thanks to the wonderful teachers for their tireless work with planning and implementing the terrific excursions last week. Heather, Terry and Kim put in countless hours with this and their efforts are really appreciated! A BIG thank you to Gus and Eade's dad, Adam, for being a sensational volunteer on the 3-6 camp! You are a star! Also a BIG thank you to Ela, Maree, Yolanda, Sharon and Shelley for their wonderful help at the beach!

## Kitchen-Garden Program

Thanks again, everyone, for making our Kitchen-Garden program such an amazing experience! Thank you to the helpers last Tuesday: Valerie, Tash, Lisa E, Janine, Suz, Emma, Andy P, Andrew D and Trent.

## Intensive Swimming Program

Our swimming program has commenced! During our swimming weeks, our usual school routine is a little different. There is no scripture, no library and no assembly.

We head straight to class each morning for a short session before getting on the bus. The children put their sunscreen on and catch the bus with the teachers to Alstonville for their lesson. After their lesson, they get changed out of their swimmers and catch the bus back to school. We have lunch when we get back to school and then do various activities for the afternoon session.

We will be going to the pool each day during this fortnight, unless the weather is very stormy.

## Swimming Goals

Children will be encouraged to set their own goals to aim for with their swimming and hopefully everyone will be able to participate enthusiastically in their lessons. Please talk to your child about their goals as another means of supporting them to do their best.

*Kitchen-Garden Program Evaluation Meeting Tuesday 1st December 9.00 -10.00am*

Please come along to this meeting if you would like to put forward your ideas. Thank you!

## End of Year Concert

We would love a parent or two to help with some minor costume repairs for our big evening. It will be buttons etc so nothing too difficult. It would probably take about an hour if we have two people to help. Please see Kim if you can help.
