Enrolments 2017

We are attempting to determine our enrolment numbers for next year. At the moment, our projected enrolments for 2017 look quite promising and we hope to have the classes arranged as a Kindergarten group; Year 1/2; Year 3/4; and a Year 5/6 class.

If your family situation may change next year (eg if you are moving), we would really appreciate it if you could let us know. This will help as we make our plans for 2017. Thank you

Swimming

The children had a great start to their swimming lessons and we hope the weather will be kind to us over the next fortnight! We are encouraging children to talk to us if they have any concerns. We hope that children will make the most of these lessons to strive to reach new heights!

Many children asked about goggles. There are goggles available at the pool for \$10. These could be handy for children's confidence and comfort with water activities.

Chess Tournament

Congratulations to the Chess champions for their great efforts at Alstonville! Particular congratulations to Ben who was awarded first place. Thanks to Ben's dad, Peter, for transporting the team.

Class Excursions

Next week the children will be given their camp itineraries (Year 3/4 and Year 5/6) and their 'What to bring lists.' Thanks to the many families who have paid for their child's excursion.

Permission Notes to return:
