## Waste to Art Sculpting Competition

On Friday 24th November from 5-7.30pm, Lismore Waste are holding a fun afternoon at the Revolve Shop. Our school has an entry into the 'waste to art' competition. This is a people's choice competition and our wonderful sculpture will be on display at the Revolve shop. From 5pm at the shop, people are able to vote for our school entry and enjoy food and fun activities. The centre will also be having a recycled/upcycled goods sale, so you might catch a few good bargains for Christmas! If you are in town, we would love you to support us with an entry and enjoy the fun afternoon at the same time.

### Uniform Sales

Due to the introduction of our new financial system, **all uniform payments will need to be paid in cash.** We pass this cash on to the P & C for processing.

Sorry if this will cause inconvenience for any families.

**Happy Birthday**

## Sydney Opera House Excursion by Rosie and Philippa

We are part of the Dunoon Marimba Ensemble and last week we travelled to Sydney to perform on the marimbas at the Sydney Opera House. We stayed for five days at the Travelodge hotel and spent time performing and touring the sites of Sydney with students from Kentucky, Bedgerabong and Stuarts Point Public Schools. We had an amazing time. Here are some comments from the team.

Kyle: "On Tuesday evening, we went to perform at the Opera House. We played a tricky marimba piece called Popcorn. The Opera House was exciting and packed with people."

Philippa: "Being on stage was amazing and the applause we got when we finished was really loud!"

Ella "We visited the tall replica ship, *The Endeavour* which was really interesting because we have studied this in class and to be on a tall ship was amazing. I can't believe how cramped the ship was!"

Leyla: "I loved the Aquatic Centre, we have lots of fun there."

Emil: "I liked Parliament House. We got to debate about if kids should go to school on Saturdays to improve their NAPLAN results."

Sunny: "It was interesting to learn about how debates can lead to changes in the law."

Rosie: "Including playing at the Opera House we went to some exciting places there such as Luna Park, a climb up the Sydney Harbour Bridge pylon, a visit to Taronga Zoo, a ferry trip to Manly and much more."

All of us would like to thank Mrs Slocombe for all her hard work in teaching us marimbas, encouraging us to practise and making this fantastic experience happen!
