Can you put your hand up for a morning or afternoon shift for school stalls & bucket collection or are you able to man/woman the BBQ for the day? Or know someone who can?

Donations of baked goods and Timbola (lucky table prize) goodies from home also required. Please drop donations for the Timbola stall to the Music Room at school.

Thanks everyone

KIDS ZONE at DUNOON SPRING FAIR

Hi everyone!

Spring is in the air! It must be time for the fair! The kids zone will be back up and running this year, but a little bit different.... for \$10 a token you get the choice of 4 activities and lunch! The activities include not 1 but 2 jumping castles, hair chalk, hair feathers, tattoos, face painting and a couple of side show alley favourites!

As always these events are brilliant thanks to all the volunteers. We are looking for 8 people to cover 4 stations across 2 shifts. Please indicate your availability below and area of preference. Thanks so much!

Ps. Do you have high school kids looking to do some community hours? Perfect!
