## End-of-Year Concert Change of Date

**Everyone, our end of year concert will now be held on Thursday 29th November at 6.15pm. We apologise for any inconvenience we have caused to families for this change of date.**

## Grandparents' Day: Tomorrow

**Wed 7th Nov 9.10am**

We'll have a welcome assembly tomorrow morning for our Grandparents. Then, whilst other students head into class, we will have a cup of tea or juice and find out more about our grandparents in 'Ask Gran, not Google'. This will involve the grandchildren asking some questions, such as 'what were you doing during the Dunoon tornado?' or 'what was the naughtiest thing mum did at school?' to hear the stories that can be shared. After this, students can take their grandparent on a tour of their classroom before heading out to recess. We welcome all grandparents and elders to come along and enjoy the morning. Ms Currie

## Swimming Scheme Information

This year our swimming scheme, K-6, will be operating for one week (instead of two) and the children will have two swimming sessions per day, with a break in between.

The cost for this program is \$35 per child which covers all costs (transport, admission, lessons). The lessons will be held in Week 9 (Monday 10th December – Friday 14 December). Reimbursements, for student absences, will be available at the end of the program.

Student assistance, for families in need of some financial support, will be available but must be submitted by FRIDAY 9th November to be considered. This is to ensure that any available funding can be distributed in a fair manner.

Families will be asked to pay for this program by **THIS FRIDAY, 9th November**. Thank you

## P & C Message

Congratulations everyone on another hugely successful Dunoon School Spring Fair!

Saturday was a lovely community event, with our school as the star. Thank you for your planning; buying; constructing; baking; supervising; cleaning; packing; and everything else you put in to make the day such a highlight.

With less than 100 kids at Dunoon, we need a truly amazing school community to support a Fair - that's all of you! Around 50 parents (and a few grandparents) from our school helped out with this year's fair by volunteering or donating.

So I'm pleased to report that our net profit for the day will be over **\$2,500**. That will take total P&C funds raised for the school this year to almost **\$7,500**! Thanks to your fundraising, P&C have already been able to tick off some really exciting projects for our kids this year (check out the school's new outdoor amphitheatre; and the kids' LEGO robotics projects) and we have even more planned.

Keep an eye on the newsletter to see what we're up to next in 2018, or come along to the next P&C meeting.

One more time, thank you all so much for being a part of the 2018 Spring Fair - you make our school special.

All the best, Trent  
Treasurer - Dunoon P&C

## Community Notices

The Child Oral Health Service would like to remind parents and carers that teeth are important for normal development, function and health. They help children eat, speak and smile.

- Poor oral health can have adverse effects on growth, self esteem, nutrition and social behavior.
- Adult molars erupt behind the baby molars at about 6 years of age. Children need help to clean their teeth effectively
- Help your child to brush their teeth until age 8-10. Use a small amount of fluoride toothpaste, encourage children to spit out not rinse.

### A Gentle Reminder

We still have outstanding text book fees (\$30 per child) and General Contributions (\$30 per child or \$50 per family). We have received payments from just over half of our families. It would really be appreciated if we could receive payments before the end of this school year.

Thank you
