Term 4 - Week 10

Friendship & Learning

7 December 2021

Every student is known, valued and cared for in our school

Dear Families,

I want to say a HUGE thank you to all the staff for their time and effort in organising Eurovision. Many positive comments from students have been made, and everyone had a wonderful time. A special congratulations to Charlie for his rendition of 'Imagine' and the 5/6 drama group who developed a play around a 'school day'.

Next week we are looking forward to our year six evening, the whole school fun day on Wednesday – BBQ lunch provided and our traditional year 6 v's staff game of T-Ball. Staff have all been practising their batting skills.

Our last day of Kinder orientation for 2022 will be this Friday. It has been a wonderful experience for the preschool students and their year five buddies. We look forward to seeing them all in school uniform next year.

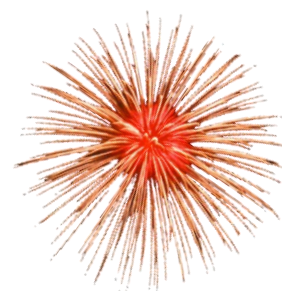

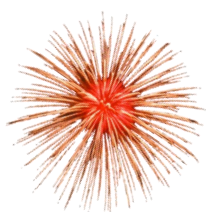

If you have any questions about upcoming events, please do contact your child's class teacher or phone the office.

Regards,
Amanda van den Berg
R/Principal

DUNOON OSHC COORDINATOR POSITION AVAILABLE

NRCS are looking to fill this position with an immediate start. The Before and After School Service Coordinator position is for approximately 31.5 hours per week and is supported by a highly motivated and passionate team. There is also the option to work during Vacation Care at our other OSHC Services. Please see Seek ad for further information about the position and contact Paula Zanuso on 66216437 for any enquiries. <https://www.seek.com.au/job/54564344>

It is with heartfelt sadness that NRCS must advise that Louise Duyker (fondly known as Lou), has given notice as the Dunoon OSHC Coordinator. Lou has run the Service with dedication, passion and love and even though Lou may still be available at times, we are saddened that she will no longer be running the Service.

NRCS wishes Lou every success and happiness in her future endeavours and we look forward to welcoming a new Coordinator at Dunoon OSHC.

COVID 19

If your child is experiencing any one of the following symptoms; cough, sore throat, scratchy throat, fever, runny nose, loss of smell or taste then they need to have a COVID test.

A copy of the negative result needs to be forwarded to the school before your child returns to school.

Your child is able to return to school once they are **free of all COVID like symptoms.**

At this point in time Rapid testing kits are not being accepted as confirmation as a negative COVID result.
