Term 4 - Week 6

Friendship & Learning

15 November 2022

Every student is known, valued and cared for in our school

Dear Families.

A HUGE congratulations to our 2 stage 2 Green Innovations teams who represented DPS last week at SCU for the finals. Well done to the year 3 team who won the Primary school section of the awards. A special thank you to Mrs Ward for all the work she has done with the students over the year with this project. News story-Lismore App

<https://lismoreapp.com.au/news-sport/news/dunoon-primary-wins-green-innovation-awards?id=636b04db4c3442002cd2dcb5>

DPS has yet again been successful in our application to be a part of the Rivers Academy of STEM Excellence for 2023. We look forward to working with our new partner schools, Modanville and The Channon. We have also been successful in receiving a grant for STEM in 2023, which will see us join the University of Sydney STEM Teacher Enrichment Academy. We are all very excited about 2023!

Heather Laverick (long-term permanent teacher at DPS) has accepted a position within the Department as a curriculum advisor. Heather has been a driving force for curriculum implementation and innovation at DPS since 2013. We wish Heather all the best for her future endeavours. This position is sitting with staffing and will be filled on a permanent basis.

Have a wonderful week everyone.

Amanda van den Berg
Principal

Green Innovation Awards Northern Rivers

18h · 🌐

Congratulations to Dunoon Public School for taking out the Primary School category in this years Green Innovation Awards. Their community education initiative raised awareness of the true cost to the environment of fast fashion. As they would say "a bargain for the environment". Congratulations, they were deserving winners with incredibly tough competition!

Congratulations!
