Term 4 - Week 7

Friendship & Learning

22 November 2022

Every student is known, valued and cared for in our school

Dear Families.

Congratulations to all the students who represented DPS last week at the Chess competition. From all reports, it was a wonderful day. Thank you to those parents who assisted with transport and supervision to make the day happen.

This week, many of our year 6 students are off participating in transition days. We wish you all the best and hope you have a great time.

Congratulations to Ms Sharlene Bailey who has been appointed as the AP Curriculum and Instruction for DPS 1 day a week. We look forward to having Sharlene as a permanent staff member at our school.

2023 classes:

While staffing is still not locked in for 2023, we can let the community know what the class structures for next year will be. Please understand that class structures are based on numbers and classes in K-2 have a cap (limit) on the number of students in each class. Therefore, our structure for 2023 will be:

K/1

Stage 1-1/2

Stage 2-3/4

Stage 3-5/6

Due to the fluidity of the curriculum and the way our school operates on a 2 year cycle, each child, no matter the class, will be taught the appropriate content for their year level. If you have any concerns, please contact me via the school email or phone number.

Have a wonderful week everyone.

Amanda van den Berg
Principal
