Term 3 - Week 4

Friendship & Learning

9 August 2022

Every student is known, valued and cared for in our school

Dear Families,

Congratulations to all students who participated in the DDPSSA Athletics Carnivals last week. What a tremendous effort by all. Dunoon PS was named the champion school for 2022. Congratulations to our junior and senior ball games teams, who took home the title for 2022. A big thank you to the P&C for running the canteen last Friday. The entire school community very much appreciates this.

Today our marimba ensemble is at SCU participating in a professional recording opportunity. Thank you to all parents who drove students in, and thanks to Mr Henderson for organising this very special opportunity.

Next Monday is our last hockey session before we move into tennis coaching, beginning week 5. These activities are free for all students.

Next Friday, we again partner with the Rivers Academy of STEM Excellence project officers to celebrate National Science week. This year's theme is Glass. Activities will take place during the middle session.

Have a wonderful week, everyone.

Regards
Amanda van den Berg
Principal
