Term 2 - Week 6

Friendship & Learning

30 May 2023

Every student is known, valued and cared for in our school

Dear Families,

With the school transitioning to a new online student data system, it is important that parents create an online account through the School Bytes Parent portal. A green note with step by step instructions was sent home on Wednesday. If you are unsure of what to do, please go to the following link or call the school. We appreciate you actioning this as a matter of importance. Login by clicking here: [School Bytes Parent Portal](#)

Air Conditioner upgrade: As part of the air conditioner upgrade, the school will also be supplied with solar panels in the coming months.

Stage 3 Camp: Stage 3 will be attending camp in Brisbane in week 9 of term. Ms Currie will also be attending to support Mr Henderson. Please make sure payments are up to date.

Story Dogs: The wonderful Faith has volunteered to bring in Trixie dog to support our students with their reading. The story dogs program will run each Monday on the school grounds for the remainder of the year. We are all looking forward to having Faith and Trixie at school.

Stage 2 excursion: Stage 2 will be heading off on a World Environment Day excursion next Tuesday. This program is co-ordinated by Lismore City Council and provides our students with the opportunity to engage in educational activities that support students to better look after our environment.

Friday afternoon clubs: Students are invited to select a 'club' style activity to be run on a Friday afternoon by staff. Clubs include: Marimbas, Coding, Bracelet Making and Art/Craft. Students have selected their clubs and we are excited to begin!

Have a wonderful week everyone

Amanda van den Berg

Principal.

SEE YOU THERE!

So many learning opportunities in the 1/2 classroom this Term. We've been exploring data in mathematics. First we ask a question to find out information, then we collect the evidence and compare our findings. Most popular lego colour in building was red, most popular fruit was blueberries.

We have a wonderful volunteer Faith who has trained her dog up to be a 'reading dog'. Several of our students were lucky enough to read with Faith and Trixie this week.

Finally we've been trying to get outside as much as possible: games in the sun, sport under the basketball court and athletics practice.

ATTENDANCE- Late arrival or early departure

All NSW public schools use a digital roll marking system. Rolls are marked before 9.30am each day.

If you arrive late with your children or need to pick them up early for appointments, **please sign them in and out at the office.**

If your child is absent from school, we require a written or verbal explanation for legal reasons. Attendance notes will be sent home fortnightly for any unexplained absences.

Thank you.
